

FLY II CONNECT

REAL

FLY II CONNECT

COMFORT

Spacious seats with incorporated armrests deliver comfort, pleasure of usage and ergonomics.

DESIGN

The unique built with no gaps between seats ensures not only individual passenger space but also increases airport security and safety of usage.

MAINTENANCE

Modern connected shape makes cleaning easier than ever before and prevents garbage collection.

CONFIGURABILITY

Thanks to gapless clamp fixing FLY II CONNECT allows the creation of multiple, exchangeable, unlimited, linear configurations.
